COMMUNITY FOUNDATION

2022 Dane G. Hansen Community Fund Grants

Each year, through continued participation in Sheridan County Strategic Doing initiatives, SCCF receives funding from the Hansen Foundation to grant to area organizations for projects, events and other needs.

This year, the Sheridan County Community Foundation (SCCF) has awarded \$57,130.14 in grant funding from the locally managed Dane G. Hansen Community Fund.

*Beginning in April 2022, the amount available to SCCF to grant from annually has decreased from \$100,000 to \$50,000 for the next five years as the Hansen Foundation increases the Match Month Challenge Bonus Incentives from \$20K to \$45K to the SCCF's operating endowment fund with the additional \$5K to the SCCF's unrestricted operating fund for immediate needs. **Please help us continue to reach (and surpass) the annual Match Month goal to ensure we receive the additional funding to become a more sustainable foundation to support our community and its many wonderful organizations!***

SCCF encourages area organizations to submit applications to www.gnwkcf.org/hansen-grant for funding consideration by the last day of each month (rolling deadline).
